**PETITION FOR RULEMAKING**

To the Chief, Allocations Branch:

Linda A. Davidson ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purpose of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated:

2. Petitioner proposes the Commission allot FM channel 224A to Wasco, California as its first local FM service. This would require amending Section 73.202(b) of the Commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Wasco, CA	-	224A

3. Wasco is an incorporated city located in central California. It is located in Kern County. In 2000, the United States Census Bureau estimated that Wasco had a population of 21,263 persons

4. FM channel 224A can be assigned to Wasco in full compliance with the Commission's minimum distance separation requirements without a site restriction. This is illustrated in the attached spacing study. Coordinates used are N 35.35:37, W 119:20 35 and are those listed in the National Atlas for Wasco, CA.

5. Petitioner, or an entity with which she is affiliated, intends to apply for a construction permit to activate channel 224A if it is assigned to Wasco as proposed. If her application is granted, she shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

*Linda A Davidson*
